*The Journal of Supercritical Fluids* is pleased to announce the establishment of the Gerd Brunner Lecture in recognition of Professor Gerd Brunner and his outstanding contributions to the field and the Journal.

The inaugural Brunner lecture will be delivered by Professor Eckhard Weidner during the opening plenary on Monday, 23rd April at 9.00.

## 30th Anniversary Special Issue

Journal of Supercritical Fluids will publish a special issue in honor of its 30th anniversary featuring perspectives and opinions on the current state and future directions of the field. Visit the journal homepage to access the articles for free through the end of the year: [elsevier.com/locate/supflu](http://elsevier.com/locate/supflu).
